

Login

User must type a correct username and password and then click on **Sign in** [Figure 3] to log in to the system. Subsequently, the username of the user logged in will be displayed on the menu bar [Figure 4].

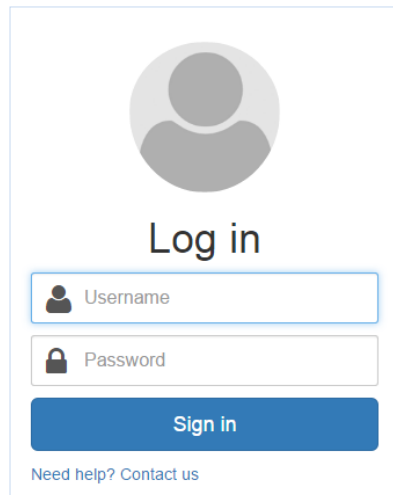

The login screen features a central white box with a light gray border. At the top is a gray circular placeholder for a profile picture. Below it, the text "Log in" is centered in a bold, black font. Underneath are two input fields: the first is labeled "Username" with a person icon, and the second is labeled "Password" with a lock icon. A blue "Sign in" button is positioned below the password field. At the bottom of the box, the text "Need help? Contact us" is displayed in a smaller font.
